Ecomondo 2026

03/04/05/06 November

Legend

- Resource Efficiency and Circular Economy
- Sustainable and Circular Textiles
- Circular and Healthy Cities
- Agrifood, Forestry, Bioenergy and Circular Bioeconomy
- Sites and Soil Maintenance and Restoration
- Water Cycle and Blue Economy
- Research and Innovation, Start Ups and Scale Up
- International Cooperation and Partnerships with Mediterranean and Africa
- Financing
- Education, Skills and Communication
- Policies and Regulatory Frameworks
- States General of the Green Economy
- Exhibitors and Partners Events
- Opening Event

Tuesday 3 November

Tuesday 3 November
09:30 - 17:30

Agorà Luciano Morselli - Sites & Soil Restoration Area Hall C1

Sites and Soil Maintenance and Restoration
Click here

Recent developments in geotechnical engineering for environmental protection and land safeguarding

Organized by: Comitato Tecnico Scientifico di Ecomondo & Associazione Geotecnica Italiana AGI-IGS

Language: Italian

Tuesday 3 November
09:30 - 18:00

Tiglio Room Hall A6

International Cooperation and Partnerships with Mediterranean and Africa
Click here

Technological solutions for resources recovery from end-of-life products and materials in the Mediterranean landscape

Organized by: Ecomondo STC & Italian Chemical Society – Division Environmental and Cultural Heritage Chemistry, ISWA international, ATIA – ISWA

Language: English

Tuesday 3 November
10:00 - 17:30

Agorà Tiberio - Water Cycle Area Hall D8

International Cooperation and Partnerships with Mediterranean and Africa
Click here

Water Resilience In and Beyond Europe: Euro-Mediterranean Cooperation, Innovation and Global Leadership

Organized by: Ecomondo STC & WATER4ALL, Water Europe, Imperial College, Beta Tech Centre, Italian Institute of Health, UTILITALIA, Marche Polytechnic University

Language: English

Tuesday 3 November
10:30 - 11:15

Innovation Arena - South Hall

Opening Event

Ecomondo 2026: Opening Ceremony

Language: Italian

Tuesday 3 November
11:15 - 13:00

Neri Room South Hall

States General of the Green Economy
Click here

States General of the Green Economy - Opening Plenary Session

Organized by: Fondazione per lo Sviluppo Sostenibile

Language: Italian

Tuesday 3 November
14:00 - 16:00

Diotallevi 2 Room South Hall

Resource Efficiency and Circular Economy
Click here

Plastic circularity: new perspectives and critical issues

Organized by: Comitato Tecnico Scientifico di Ecomondo

Language: Italian

Tuesday 3 November
14:00 - 15:30

Innovation Arena - South Hall

Sustainable and Circular Textiles
Click here

ESPR and Digital Product Passport in textiles: traceability and transparency along the value chain

Organized by: Ecomondo STC & AISEC (Italian Association for the Development and the Promotion of the Circular Economy)

Language: English

Tuesday 3 November
14:00 - 16:00

Ravezzi 2 South Hall

Circular and Healthy Cities
Click here

From Data to Decisions: National Infrastructure and Local Applications for a Data-Driven Public Administration

Organized by: Comitato Tecnico Scientifico di Ecomondo & Politecnico di Torino

Language: Italian

Tuesday 3 November
14:00 - 16:00

Agorà Augusto - Bioeconomy Area Hall D1

Agrifood, Forestry, Bioenergy and Circular Bioeconomy
Click here

What science says on biodegradable and compostable plastics for soil protection

Organized by: Comitato Tecnico Scientifico di Ecomondo & Novamont, Coldiretti, Fondazione Re Soil, Biorepack

Language: Italian

Tuesday 3 November
14:00 - 17:00

Agorà Blue Economy Hall D7

Water Cycle and Blue Economy
Click here

Adaptive regeneration of coastal areas and territory – what new opportunities from the european climate resilience framework?

Organized by: Comitato Tecnico Scientifico di Ecomondo & Ministero dell'Ambiente e della Sicurezza Energetica, ISPRA, Regione Emilia-Romagna, GNRAC, CPMR, Commissione Europea

Language: Italian
Instant translations: English

Tuesday 3 November
14:00 - 15:45

Area Forum CIB Hall D5

Agrifood, Forestry, Bioenergy and Circular Bioeconomy
Click here

The Farm of the Future: a biorefinery that generates collective value

Organized by: Comitato Tecnico Scientifico di Ecomondo & CIB (Consorzio Italiano Biogas)

Language: Italian

Tuesday 3 November
14:00 - 15:00

Textile District - Workshop Area Hall D2

Sustainable and Circular Textiles
Click here

Textile End of Waste - state of the art of regulations and potential critical issues

Organized by: Ecomondo & Tecnotessile, Confindustria Toscana Nord, Centrocot

Language: English

Tuesday 3 November
15:00 - 17:45

Agorà Ariminum - Circular Economy Area Hall D1

Resource Efficiency and Circular Economy
Click here

Circular Economy in Action: e-waste and waste batteries best practices

Organized by: Comitato Tecnico Scientifico di Ecomondo & ERION

Language: Italian

Tuesday 3 November
15:00 - 17:00

Diotallevi 1 Room South Hall

Financing
Click here

ESG CEO SUMMIT 3rd edition. Sustainable future between compliance and competitiveness: from reporting to industrial transformation

Organized by: Ecomondo & TEHA Group (The European House-Ambrosetti)

Language: Italian
Instant translations: English

Tuesday 3 November
15:30 - 17:45

Agorà Malatesta - Enviromental Monitoring Area Hall B8

Circular and Healthy Cities
Click here

Indoor air quality and health. Trends and changes to know for a national plan

Organized by: Comitato Tecnico Scientifico di Ecomondo & Istituto Superiore di Sanità

Language: Italian

Tuesday 3 November
15:30 - 16:30

Textile District - Workshop Area Hall D2

Sustainable and Circular Textiles
Click here

From Tradition to Innovation: The Cultural Heritage of Textiles between Craftsmanship and High-Tech

Organized by: Ecomondo & AISEC (Italian Association for the Development and the Promotion of the Circular Economy)

Language: English

Tuesday 3 November
16:00 - 17:30

Ravezzi 1 Room South Hall

Resource Efficiency and Circular Economy
Click here

Circular Economy Act: challenges, opportunities and implications for European packaging

Organized by: Comitato Tecnico Scientifico di Ecomondo & CONAI

Language: Italian
Instant translations: English

Tuesday 3 November
16:15 - 17:45

Agorà Augusto - Bioeconomy Area Hall D1

Sustainable and Circular Textiles
Click here

Reuse, repair and eco-design. The heroes of “magic” circles of Circular Economy in the textile sector

Organized by: Comitato Tecnico Scientifico di Ecomondo

Language: English

Tuesday 3 November
16:30 - 18:00

Ravezzi 2 South Hall

Resource Efficiency and Circular Economy
Click here

Breaking the Plastics Pollution Cycle

Organized by: Comitato Tecnico Scientifico di Ecomondo & ISWA

Language: English

Wednesday 4 November

Wednesday 4 November
10:00 - 13:00

Mimosa Room Hall B6

Resource Efficiency and Circular Economy
Click here

Industrial symbiosis, resource audit and circular eco-districts in Italy through the implementation of a National Plan: opportunities and challenges

Organized by: Comitato Tecnico Scientifico di Ecomondo & ENEA, SUN Symbiosis Users Network

Language: Italian

Wednesday 4 November
10:00 - 13:00

Neri 2 Room South Hall

Sustainable and Circular Textiles
Click here

Textile EPR in Italy and Europe: harmonization of systems and new challenges for the supply chain

Organized by: Ecomondo STC & ASSOAMBIENTE-UNIRAU

Language: Italian

Wednesday 4 November
10:00 - 13:00

Agorà Augusto - Bioeconomy Area Hall D1

Agrifood, Forestry, Bioenergy and Circular Bioeconomy
Click here

Biowaste: XXVIII Conference on Composting and Anaerobic Digestion. Plenary session

Organized by: Comitato Tecnico Scientifico di Ecomondo & CIC, ISPRA

Language: Italian

Wednesday 4 November
10:00 - 13:00

Ravezzi 1 Room South Hall

Agrifood, Forestry, Bioenergy and Circular Bioeconomy
Click here

Agrifood Next: start up, Artificial intelligence and new investment models in the Bioeconomy landscape

Organized by: Comitato Tecnico Scientifico di Ecomondo & Confagricoltura, Federalimentare, ENEA, Cluster CL.A.N.

Language: Italian

Wednesday 4 November
10:00 - 13:00

Agorà Luciano Morselli - Sites & Soil Restoration Area Hall C1

Sites and Soil Maintenance and Restoration
Click here

Innovative and sustainable technologies for rehabilitation and maintenance of concrete and embankment dams

Organized by: Comitato Tecnico Scientifico di Ecomondo & Associazione Geotecnica Italiana, Comitato Nazionale Italiano per le Grandi Dighe – ITCOLD

Language: Italian

Wednesday 4 November
10:00 - 17:00

Agorà Tiberio - Water Cycle Area Hall D8

Water Cycle and Blue Economy
Click here

Urban Water Services in Transition: from integrated assessment to applicable solutions for emerging contaminants, circular resources and climate-neutral utility

Organized by: Comitato Tecnico Scientifico di Ecomondo

Language: Italian

Wednesday 4 November
10:00 - 13:00

Agorà Blue Economy Hall D7

International Cooperation and Partnerships with Mediterranean and Africa
Click here

From Source-to-Sea to Scale: Mediterranean Pathways for Water Resilience and the Ocean Pact

Organized by: Ecomondo STC & CNR (National Research Council), European Commission, UfM (TBC), CPMR (Conference of Peripheral Maritime Regions), SEACURE, Interreg MED actors, BlueMissionMed legacy network

Language: English

Wednesday 4 November
10:00 - 13:00

Agorà Malatesta - Enviromental Monitoring Area Hall B8

Policies and Regulatory Frameworks
Click here

Governance, regulation, investment, and bankability of the water service: from the lessons of MTI-4 (2026–2029) to the new challenges posed by climate change

Organized by: Comitato Tecnico Scientifico di Ecomondo & REF Ricerche

Language: Italian

Wednesday 4 November
10:00 - 13:00

Neri 1 Room South Hall

States General of the Green Economy
Click here

States General of the Green Economy - International Plenary Session

Organized by: Fondazione per lo Sviluppo Sostenibile

Language: English
Instant translations: French,Italian

Wednesday 4 November
10:30 - 13:00

Agorà Ariminum - Circular Economy Area Hall D1

Resource Efficiency and Circular Economy
Click here

Scaling the circular economy in built environment: the urban mining

Organized by: Comitato Tecnico Scientifico di Ecomondo & Green Building Council Italy, Università Politecnica della March

Language: Italian

Wednesday 4 November
10:30 - 12:30

Noce Room Hall A6

Resource Efficiency and Circular Economy
Click here

Eco-design of composite materials

Organized by: Comitato Tecnico Scientifico di Ecomondo & CETMA (Centro di Ricerca e Trasferimento Tecnologico)

Language: Italian

Wednesday 4 November
10:30 - 12:30

Tulipano Room Hall B6

Policies and Regulatory Frameworks
Click here

Towards the New Landfill BAT: Where do we stand?

Organized by: Ecomondo STC & ASSOAMBIENTE

Language: Italian

Wednesday 4 November
11:30 - 13:15

Circular & Healthy City District - Workshop Area Hall D3

Circular and Healthy Cities
Click here

Circular city-making

Organized by: Ecomondo STC & Materia Rinnovabile – Renewable Matter, FROM srl

Language: English

Wednesday 4 November
14:00 - 15:30

Ravezzi 2 South Hall

Resource Efficiency and Circular Economy
Click here

Advancing the EU's sustainable construction framework through the Circular Economy Act

Organized by: Ecomondo STC & Recycling Europe, Construction & Demolition Branch

Language: English

Wednesday 4 November
14:00 - 17:00

Agorà Augusto - Bioeconomy Area Hall D1

Agrifood, Forestry, Bioenergy and Circular Bioeconomy
Click here

Biowaste: XXVIII National Conference on composting and anaerobic digestion. Technical Session

Organized by: Comitato Tecnico Scientifico di Ecomondo & CIC

Language: Italian

Wednesday 4 November
14:00 - 16:00

Agorà Blue Economy Hall D7

Agrifood, Forestry, Bioenergy and Circular Bioeconomy
Click here

The algae potential: industrial and market challenges

Organized by: Ecomondo STC & AISAM (The Italian Association for the Study and Applications of Microalgae)

Language: English

Wednesday 4 November
14:00 - 16:00

Agorà Malatesta - Enviromental Monitoring Area Hall B8

International Cooperation and Partnerships with Mediterranean and Africa
